EXPERIENCE

Creative Content Developer | Woolly Mammoth Theatre Company

Baltimore, MD | August 2022 – July 2024

Designed play programs in both print & interactive digital formats for over two seasons of productions.
Created advertisements and infographics published by major news outlets including the Washington Post.
Designed large-scale print advertisements for lamppost banners, bus stops, & metro stations across DC.

Graphic Design Independant Contractor | GroCharity

Baltimore, MD | May 2022 – December 2022

Designed & formatted copy for an exclusive, subscriber-only online newsletter.
Formatted content for web-based and mass-email communications platforms.
Designed content for social media advertisements, special event invitations, and infographics.

Graphic Design Intern | Maryland Art Place

Baltimore, MD | November 2021 – February 2022

Designed & wrote copy for a newsletter, press releases and social media posts.
Staffed live events in the gallery, including management of ticket sales and collection.
Cleaned and prepared the gallery for live shows and receptions.

Fashion & Accessory Inventory Specialist | Duckpin Consignment

Lutherville, MD | July 2019 – October 2021

Researched, priced, and wrote product descriptions for designer items in store inventory.
Provided customer service assistance over the phone and in person.
Handled customer purchases in-store and online.
Photographed, cleaned, and prepped products for sale.

Summer Front Desk Attendant | Towson University E&CS

Towson, MD | April 2019 – August 2019

Oversaw guest check-ins and check-outs.
Maintained documentation of nightly events via Excel spreadsheets.
Assisted with ticket collection and mobility-impaired seating for stadium events.

Brand Ambassador | Daymon Interactions

Reisterstown, MD | March 2016 – January 2017

Provided positive customer service interactions.
Conducted over thirty inventory and productivity reviews via a specialized tablet.
Trained multiple new employees in the use of technology to aid in brand representation.

Assistant Stage Technician | OSArts

Reisterstown, MD | January 2014 – January 2016

Managed digital and physical organization systems for stage props and scene changes.
Assisted in stage background design for three seasons of the Summer Playwrights' Festival.
